

You'll love what we've got lined up for you on Sunday Feb 14!

3 guest speakers to keep you up to date:

1. Bilateral implants – what to expect

Monica Bray, Senior Adult Audiologist at SCIC

- What has age got to do with it?
- How to decide when the time is right
- What recipient's experienced
- Hearing outcomes and FAQs plus more

2. Could you be a bilateral hybrid implantee?

Donna Brown, the first bilateral HYBRID implantee will talk about her experiences with the Hybrid.

3. What do you want from the next generation devices

Simone Jeha will talk about the next generation of devices, BEYOND the recently released Nucleus 5. This is your opportunity to give her your wish list of features to be included in the devices being developed now. Simone is Senior Projects Manager Global Marketing, Surgical Products and Hybrid at Cochlear Ltd

Discussion groups will follow these talks for anyone interested.
