

Where Do We Start?

"Working with young hearing impaired children with additional disabilities"

Matilda Rose Early Intervention Centre Workshop

Date: Wed - Fri 10th, 11th and 12th June 2009

Time: 9am - 5pm each day.

Venue: Matilda Rose Early Intervention Centre
27 Evans Street,
Bronte NSW 2024.

Cost: \$450 includes workshop and catering (GST Included).

The Aim of the Workshop

To review the fundamentals of working with very young hearing impaired children with additional disabilities. Ideas and strategies will be explored which will better enable participants to be able to plan and put into practice a flexible and integrated program to meet the needs of these children.

Areas Covered:

- Attachment and relationships
- Sensory Integration and the DIR / Floor Time Model
- Early communication skills
- Cognition and Play
- Beginning augmentative communication
- The important connection between coordination and communication
- Functional listening to develop language
- Audiological implications.

Practical Forums:

- Individual sessions – setting goals that are achievable
- Presentation of MREIC case studies
- Group planning of sessions
- Demonstration of sessions
- Discussion with parents
- Opportunity to present own case studies and discuss with group.

"This will be an interactive workshop that engages participants in open discussion"

Who Should Attend?
